COMPANY **PROFILE**

Construction, Cleaning, Security, Supply, Media, and Branding

COMPANY BACKGROUND

Ninatal Enterprises is a 100% black owned company based in South Africa, with its Head Office based in Fairmount Johannesburg, Gauteng South Africa. Ninatal Enterprises carefully and methodically execute every project with precision and skills and uses careful judgement before a project is undertaken.

Taking the time to think about the individual requirements and dynamics of each element of a project ensures that Ninatal Enterprises can focus on surpassing the goals of our clients. Ensuring that

processes are managed effectively is the most crucial aspect of creating a successful outcome for any project.

As a multifaceted company that specializes in Construction, Cleaning, Security, Media and Branding we ensure that every phase of a project is the culmination of the think and design processes, physically realizing the vision behind the project while delivering the wishes of all the stakeholders.

OUR STRENGTHS

The strength and success of Ninatal Enterprices is entrenched and rooted in its management and a rich history of projects that have been completed under the leadership and management by the chief executive officer.

Ninatal Enterprices has a strong track record in the construction and infrastructure development, including mining and processing facilities, as well as expertise in the complex construction of structures. With a large design and build capability Ninatal Enterprices is able

to offer all clients a complete turnkey construction service, along with value engineering, feasibility studies and complete project management.

With dedication to being a socially responsible company, all of Ninatal Enterprices processes and ethos are focused on operating in a conscientious manner. Ninatal Enterprices is committed to our fundamental values and takes extensive steps to ensure that the entire Ninatal Enterprices team adheres to a strict code of business ethics.
